

MALIBU is a versatile collection of tables originating in the combination of different tabletops in a round or square format, with stylized central column bases featuring four support spokes. The result is a piece with a light and essential silhouette that feels at home in restaurants, cafeterias, homes and offices.

## DESIGNER: INCLASS Studio

The INCLASS design studio started its activity in 2005 with the aim of embedding and driving design in different areas of the company. Today the studio is made up of a cross-functional team which incorporates product designers, graphic designers, engineers and prototype technicians. Since then it has undertaken the overall design of numerous products and has developed the proposals of top external designers who usually work with our firm. The studio strives to ensure that INCLASS designs have a contemporary look, that at the same time are balanced, pure, elegant and timeless with a view to introducing collections that are always innovative, attractive and modern.

## BASES

The 4-spoke base is made from injection-moulded aluminium and the central column is in 40-mm steel tube.

**Finishes:** Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch book or in chrome.

The spokes have adjustable glides.

The bases are available in heights of 38cm, 72cm and 103cm.

## TABLE TOPS

### Lacquered mdf top:

It is made of 22mm mdf board. The edges are bevelled and the corners are rounded. Available in any of the lacquer colours of the INCLASS swatch book.

### Oak veneered mdf top:

It is made of 22mm oak veneered mdf board. The edges are bevelled and the corners are rounded. Finished with acrylic varnishing in all of the oak veneer stains of the INCLASS sample book.

### 13mm Compac top:

It is made of high density compacted fiber board. The outer surfaces are made of melamine. The edges are rounded. Available in soft textured white colour.

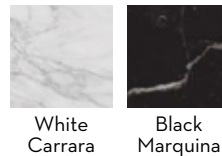

### 22mm bilaminated top:

It is made of 22mm particle board with outer surfaces made of melamine. The edges are covered with 1,5mm abs bands. Available in soft textured white colour.

### Table tops in marble (optional):

On request, natural marble tops are also available in Marquina black or Carrara white varieties. Ask our commercial department to get price and delivery time. The tops can be manufactured with other materials and finishes for special projects.

## CERTIFICATION & STANDARDS

- AIDIMA Quality Control Label

- The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.  
 - INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

## WARRANTY

INCLASS MOBLES S.L. guarantees the products from the MALIBU collection against defective materials and workmanship for a period of 5 years from the purchase date. Any damage caused by misuse, negligence or accident as well as that arising from inadequate product maintenance is excluded from this warranty. Natural ageing and wear-and-tear of surface materials are also excluded. The establishment must demonstrate the date of purchase of the article with the corresponding invoice.

INCLASS will replace or repair any faulty products or parts free of charge and any further liability is excluded.
