

## FATTY SOFA

design by Wendy Liu & Alex Chai

Fatty Sofa(PU Leather PL-07)

Fatty Sofa is inspired by clothes of the daily life . The flanging details decorated with bright colors highlight the quality of life of having no fear of mediocre and daring to break through.

Fatty Sofa(PU Leather PL-07)

In addition, the unique flanging design along with the bold color adds lots to this simple sofa. This is exactly what the designer wants to convey by Fatty Sofa: To be not afraid of mediocrity, but be brave to break the inherent thinking.
