

## LUNA SOFA

design by Alex Chai & Micky Wang

Luna Sofa-Double seats(PU Leather PL-01)

The elegant Luna came from the Dada, Alex continued to use the elements of the high heels on the sofa. While supporting the entire seat and ensuring the comfort of the Luna, the close combination of back and armrest cushion makes integral line simple and elegant. The angle between the seat and backrest is totally based on human engineering to meet users' need of comfort.

The inside structure is solid wood and elastic strip suspension seat, besides the soft foam, we inject the further into this sofa, giving user high-level seating feeling. Luna Sofa is suitable for any public or private space, especially for waiting room, reception, and home.
