

Rose Lounge chair

WAXMAN
Inspire your office

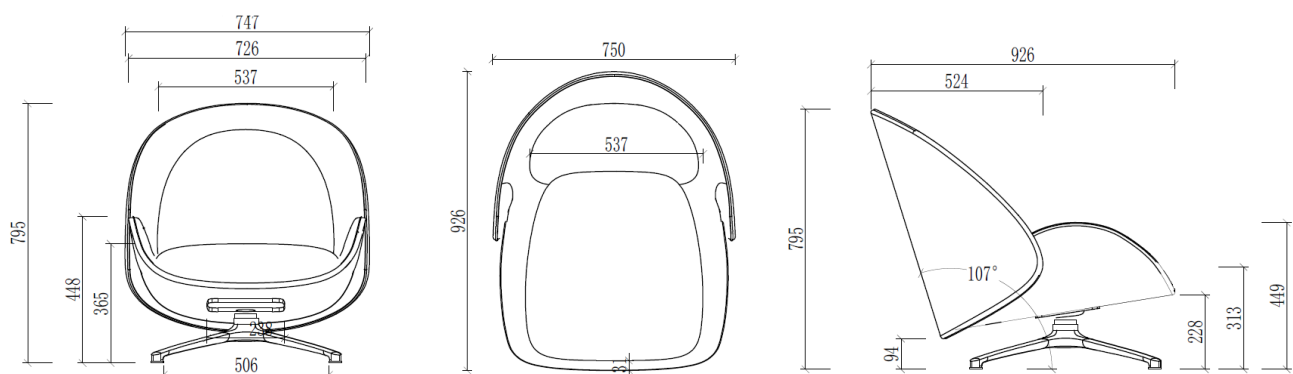

At first glance, the ROSE armchair leaves you in awe, and at second glance, it will conquer your heart. And it doesn't happen by chance, it stems from our longing for a peaceful and relaxing utopia. The inspiration for the design of the armchair was derived from the rose flower. Roses symbolize love, beauty and equality. Every perfect detail in the armchair fits into one, high-quality materials and craftsmanship create the wrap-around seating that fits the body like a glove. A piece that brings a feeling of silence and a feeling of tenderness and security. The stylish design of the Rose provides practicality and, on the other hand, also a high level of aesthetics, which turns the conversion corner into a lively office with a beautiful piece of furniture.
