

# SWELL SOFA

design by grado R&D

Swell sofa /Double Seats/Chaise lounge (MAYA 2267-2A )

Swell Sofa is named after "Kaiyuan Tongbao", a round-shaped currency used in ancient Tang Dynasty. It is named so not only for its full and swell design which resembles Yuanbao (shoe-shaped gold ingot), a typical image of China, but also for the fine wishes of good luck and development the image carries.
